G.O. NO. (MS). 4123

Dated the 6th DECEMBER 1950.

[Despatch Abstract.]

Allowance - Travelling Allowance - Public Health Staff - South Kanara District-Field Assistants attached to the central office, Puttur Taluk anti-malaria scheme - Sacntion of travelling allowance as per Madras Travelling Rules in thelieu of Fixed travelling allowance - Orders passed.

Office of the Director of Public Health,
Madras, Dated 11-11-1950.

From The Director of Public Health,
Madras.

To The Secretary to Government,
Health Department,
Fort St. George,
Madras.

Sir,

40479

Sub :- Allowance-Travelling allowance-Public Health staff-field assistant attached to the Central Office Puttur Taluk Anti Malaria Schemes — sanction of travelling allowance as per Madra Travelling Allowance Rules in lieu of Fixed Travelling Allowance.

Ref :- G.O.Ms.No.85-P.H. dated 9-1-50.

In G.O.Ms.No.85 Public Health dated 9-1-50 Government have sanctioned the payment of Fixed Travelling Allowance to all the Field Assistants working in the Anti malarial scheme, Puttur Taluk, South Kanara District. The Health Officer, Antimalaria Scheme, Puttur represents that the Field Assistants are attache to the Central Laboratory at Puttur and that they have to tour throughout the entire jurisdiction of the scheme as their services are utilised for routine and special weekly collections of adult mosquitoes and larvae and for investigation and check up work and that the present fixed travelling allowance sanctioned them is insufficient to meet the expenses they have to incur in travelling over the entire jurisdiction of the scheme area. Th Health Officer, requests that they may be sanctioned travelling allowance as per Madras Travelling Allowance rules in lieu of Fixed travelling allowance. Copies of the Health Officers letters R.No,108/50 dated 17-2-50 and 25-9-50 are enclosed.

In the circumstances stated by the Health Officer I request that Government may be pleased to permit the three Field Assistants attached to central Office of the Anti Malaria Schemes Puttur taluk, south Kanara District to draw travelling allowance as per Madras Travelling allowance rules in lieu of Fixed Travelling Allowance.

Yours faithfully,

for Director of Public Health, Madras.

KNT.14/11

Copy of letter R.No.108/50 dated 17-2-50 of the Health Officer, Anti Malaria Scheme Puttur S.Kanara Dt. to the Director of Public Health through the District Health Officer, South Kanara District.

Sub :- Puttur antimalaria Scheme Fixed travelling allowance to Field Assts. field Assistants attached to Central Office at Puttur payment of travelling allowance according to M.T.A. Rules sanction requested.

Ref :- D.No.30-A-50 dated 29-1-50 of the Director of Public Health, Madras Communicating G.O.Ms.No.85 P.H. dated 9-1-1950.

IN G.O.Ms.No.85 P.H. dated 9-1-50 communicated in letter D.No. 30-A/50 dated 29-1-50 of the Director of Public Health, Madras orders have been issued for the payment of fixed travelling allowance to the field assistants of puttur taluk antimalaria scheme. I submit the following for favour of consideration and early orders.

In the case of the field assistants working in the subunit, a fixed travelling allowance of Rs.19-14-0 has been sanctioned waiving the 5 miles limit.

Three field assistants are attached to the central office Puttur and their services are utilised for routine weekly collections of adult mosquitoes and larve and for investigation work. When these field assistants proceed on routine weekly collections, they have to go to distant places, by bus and usually their journey extends to over 60 to 80 miles to and from the headquarters. Similarly when they proceed on the investigation work along with the health officer and entomological assistant they have to perform long journeys. It would not be possible for them to meet all the expenses like bus fares and to maintain themselves on camp with the fixed travelling allowance of Rs. 19-14-0 now sanctioned. Hence I submit that sanction may kindly be accorded for paying the field assistants at Puttur travelling allowance according to M.T.A. rules for the journeys performed by them in discharge of their duties. I also submit that it would be reasonable to allow the travelling allowance according to M.T.A. rules for the field assistants atached to the Central office considering the nature of tour they have to do in discharge of their duties.

As regards the fixed travelling allowance sanctioned to the field assistants in the sub-unit similar hardships will not be felt as their jurisdiction is less and the 5 mile limit has also been kindly relaxed.

Hence I request that this may kindly be considered favourably and orders issued sanctioning the drawal of travelling allowance according to M.T.A. rules for the field assistants attached to the Central Office at Puttur.

I request for early orders.

L.Dis.No.769/50-R.F.48.

Forwarded to the Director of Public Health, Madras.

2. The facts referred to overleaf may kindly be considered favourably and orders to that affect issued early.

Copy of letter cited above.

I submit that following with reference to the points raised in the above cited letter.

Three field assistants attached to the Central office at Puttur are assigned the following out-door work.

1. Routine weekly collection of adult and larve of anopheline mosquitoes in selected sprayed and control villages this is done all through the year.

2. When investigations of villages are taken up by the Health officer and entomological assistant the central office field assistants also proceed on investigation work.

3. Collection work in other sprayed villages, as selected each month.
